MACRO

50% Cashback Reward

Macro Cashback Reward Program Terms & Conditions

1. Introduction

This Cashback on Deposit Reward Program Agreement ("Agreement") is entered into between Macro Global Markets Ltd. (hereinafter referred to as the "Company") and the participating Trader or Introducing Broker (IB) (hereinafter referred to as the "Participant").

By participating in the Cashback on Deposit Reward Program, the Participant acknowledges and agrees to be bound by the following terms and conditions.

---

2. Purpose of the Agreement

This Agreement outlines the conditions under which the Cashback on Deposit Reward Program is offered to individual traders and IBs' referred clients.

- Traders receive 50% cashback on their deposit amount, credited immediately to their trading account based on the trading volume requirement.
- IBs may opt to offer this cashback program to their referred clients, while their IB commission structure remains unchanged.
- Cashback withdrawal will be processed based on the designated payment system’s minimum withdrawal amount, using the same method as the deposit.

---

3. Promotional Duration

- This cashback program is a special promotional offer starting from May 1, 2025, and ending on July 31, 2025.
- The Company reserves the right to evaluate and decide whether to extend or modify the program at any time.

---

4. Eligibility & Participation

4.1 Traders

- The Cashback on Deposit Reward Program is available only for Standard and ECN account holders.
- Minimum deposit required to participate: $ depending on account type and deposit method.
- Each trader can only have one trading account eligible for cashback.
- Cashback is not combinable with any other bonus program.
- Maximum deposit amount applicable for cashback depends on account type and payment method.

4.2 IBs

- IBs can enroll their referred clients in the cashback program.
- IB commissions remain unchanged under this program.
- IBs are allowed to participate with their own trading accounts.
- IBs must not offer additional cashback, rebates, or bonuses on top of this program.
- IBs are responsible for ensuring that their referred clients meet the required conditions to qualify for cashback.

---

5. Eligible Trading Instruments

Cashback rewards apply only to the following trading instruments:

- Forex (FX) Pairs – Major, Minor, and Exotic currency pairs
- Metals – Gold (XAU/USD), Silver (XAG/USD)
- Oil – BRNUSD, WTIUSD

Trades on cryptocurrencies, indices, stocks, or any other instruments not listed above do not qualify for cashback rewards.

6. Cashback Structure, Trading Requirement, and Withdrawal Conditions

6.1 Cashback Structure

- Traders will receive 50% cashback on their deposit amount.
- Internal account transfers are not eligible for the bonus.
- Cashback is credited immediately at a rate of $3 per standard lot traded.
- The maximum cashback amount is capped at $10,000 per trader per month.
- Credit issued under this promotion does **not support drawdown** and may be removed if risk thresholds are breached.

6.2 Trading Requirement Before Withdrawal

- Every $3 cashback received requires 1 standard lot to be traded.

Example Calculation:

- Scenario: $1,000 Deposit
- Cashback Reward: $500
- Earning Method: Each 1 standard lot traded will generate $3 cashback instantly in the MT account.
- Trades must be held for at least 10 minutes to count toward the requirement.

6.3 General Account Requirements for Withdrawal Eligibility

- Cashback is intended for active traders who continue to engage in trading activities.
- Any account with insufficient trading activity or irregular transactional behavior may be reviewed before cashback approval.
- If the trader withdraws their deposit before fulfilling the program conditions, the cashback will be forfeited.
- Cashback withdrawal will be processed using the same payment method as the deposit.

7. Prohibited Activities, Abuse, and Fraud Prevention

Macro Global Markets Ltd. strictly prohibits fraudulent activities, market manipulation, and abuse of the Cashback on Deposit Reward Program.

7.1 Prohibited Activities

- Creating multiple accounts under different identities to claim cashback multiple times.
- Hedging trades between referred accounts (self-execution to trigger cashback eligibility).
- Withdrawing funds immediately after receiving cashback to exploit the program.
- Engaging in high-frequency trading (HFT) bots to artificially inflate trading volume.
- Abusing scalping strategies by executing trades under 10 minutes to meet trading volume requirements unfairly.

7.2 Violation Consequences

If a trader or IB is found violating this agreement, Macro Global Markets Ltd. reserves the right to:

- Forfeit all pending and future cashback payments.
- Suspend or terminate the Trader's or IB's account.
- Deduct unlawfully obtained cashback from the account.

8. Amendments and Termination

- Macro Global Markets Ltd. reserves the right to modify, suspend, or terminate the Cashback on Deposit Reward Program at any time, with or without prior notice.
- If the program is terminated, any accrued but unpaid cashback rewards will not be credited to traders.
- The Company may introduce new eligibility requirements or trading conditions at any time, and such changes will be communicated through official announcements.
- The Company's decisions regarding program eligibility, violations, and disqualifications are final and binding.

9. Agreement to Terms

By clicking the "Participate" button in the Client Area or IB Portal, the Trader or IB expressly acknowledges, understands, and agrees to:

- The terms and conditions of this Agreement.
- The requirement that cashback cannot be combined with any other rebate or bonus program.
- The Company’s right to monitor, investigate, and revoke cashback in cases of fraud or abuse.
- The trading volume and eligibility requirements before cashback withdrawal.
- The program’s promotional period, running from May 1, 2025, to July 31, 2025.

.

By participating in this Bonus Program, you confirm that you have read, understood, and agreed to these terms and conditions.
